🕒 Seeking part-time or full-time opportunities

PROFILE

Melbourne-based graphic designer with experience creating brand assets, promotional graphics and social media content. Skilled in Adobe Creative Cloud, with portfolio work spanning brand identity, print and digital design. Seeking a Junior Graphic Designer role, contributing experience in interpreting briefs, adapting layouts and collaborating with senior designers and marketing teams.

SKILLS

Software Adobe Creative Cloud: Photoshop, Illustrator, InDesign and After Effects.

Graphic design Brand identity, layout design, visual communication, print and digital design, social media graphics and campaign assets.

WORK EXPERIENCE

Media Creator | Indie Crate Ltd, Mauritius

March 2022 - March 2024

Produced daily digital artwork, promotional graphics, social media assets and product imagery for marketing campaigns, following brand identities and creative briefs.

Interpreted briefs and developed visual ideas with marketing, design and content teams, maintaining consistency across campaign materials.

Supported photography and videography for product launches and experience-based marketing.

Managed multiple briefs under tight deadlines, keeping artwork accurate and assets organised for shared projects.

Junior Graphic Designer | LuckyLads.io, Mauritius

February 2021 - February 2022

Designed and adapted digital assets for websites, campaigns and social media across multiple formats.

Adapted and refined layouts for senior designers, applying brand guidelines consistently across website and campaign assets.

Supported production of promotional and marketing materials, checking artwork for quality and accuracy under short turnaround times.

NEHAL TALESH BEEGOO
